Статья 80. Сведения о границах территориальной зоны «Зона застройки индивидуальными жилыми домами (Ж1)», содержащие графическое описание ее местоположения, а также перечень координат характерных точек

1. Местоположение объекта землеустройства:

Самарская область, Городской округ Жигулевск

2. Площадь объекта землеустройства:

Общая площадь - 735,001 га

3. Графическое описание местоположения границ территориальных зон:

Графическое описание местоположения границ территориальных зон приведено на картах:

1) 02 «Карта градостроительного зонирования г. Жигулевск М 1:10 000»;

2) 02 «Карта градостроительного зонирования ГО Жигулевск М 1:25000(10000;5000)»

4. Перечень координат характерных точек границ территориальных зон:

Система координат: МСК-63

Ведомость координат точек теодолитного хода

Статья 81. Сведения о границах территориальной зоны «Зона застройки малоэтажными жилыми домами смешанного типа (Ж2)», содержащие графическое описание ее местоположения, а также перечень координат характерных точек

1. Местоположение объекта землеустройства:

Самарская область, Городской округ Жигулевск

2. Площадь объекта землеустройства:

Общая площадь – 87,80 га

3. Графическое описание местоположения границ территориальных зон:

Графическое описание местоположения границ территориальных зон приведено на картах:

- 1) 02 «Карта градостроительного зонирования г. Жигулевск М 1:10 000»;
- 2) 02 «Карта градостроительного зонирования ГО Жигулевск М 1:25000(10000;5000)»
4. Перечень координат характерных точек границ территориальных зон:

Система координат: МСК-63

Ведомость координат точек теодолитного хода

Статья 82. Сведения о границах территориальной зоны «Зона застройки среднетажными жилыми домами (ЖЗ)», содержащие графическое описание ее местоположения, а также перечень координат характерных точек

1. Местоположение объекта землеустройства:

Самарская область, Городской округ Жигулевск

2. Площадь объекта землеустройства:

Общая площадь - 157,83 га

3. Графическое описание местоположения границ территориальных зон:

Графическое описание местоположения границ территориальных зон приведено на картах:

1) 01 «Карта (схема) градостроительного зонирования территории города Жигулевск городского округа Жигулевск Самарской области. М 1:10000»;

2) 02 «Карта (схема) градостроительного зонирования территории городского округа Жигулевск Самарской области, с. Бахилова Поляна, с. Зольное, с. Ширяево, с. Богатырь, с. Солнечная Поляна. М 1:25000 (10000; 5000)»

4. Перечень координат характерных точек границ территориальных зон:

Система координат: МСК-63

Ведомость координат точек теодолитного хода

Статья 83. Сведения о границах территориальной зоны «Зона застройки многоэтажными жилыми домами (Ж4)», содержащие графическое описание ее местоположения, а также перечень координат характерных точек

1. Местоположение объекта землеустройства:

Самарская область, Городской округ Жигулевск

2. Площадь объекта землеустройства:

Общая площадь - 24,73 га

3. Графическое описание местоположения границ территориальных зон:

Графическое описание местоположения границ территориальных зон приведено на картах:

1) 01 «Карта (схема) градостроительного зонирования территории города Жигулевск городского округа Жигулевск Самарской области. М 1:10000»;

2) 02 «Карта (схема) градостроительного зонирования территории городского округа Жигулевск Самарской области, с. Бахилова Поляна, с. Зольное, с. Ширяево, с. Богатырь, с. Солнечная Поляна. М 1:25000 (10000; 5000)»

4. Перечень координат характерных точек границ территориальных зон:

Система координат: МСК-63

Ведомость координат точек теодолитного хода

Статья 84. Сведения о границах территориальной зоны «Зона делового, общественного и коммерческого назначения (О1)», содержащие графическое описание ее местоположения, а также перечень координат характерных точек

1. Местоположение объекта землеустройства:

Самарская область, Городской округ Жигулевск

2. Площадь объекта землеустройства:

Общая площадь – 64,05 га

3. Графическое описание местоположения границ территориальных зон:

Графическое описание местоположения границ территориальных зон приведено на картах:

1) 01 «Карта (схема) градостроительного зонирования территории города Жигулевск городского округа Жигулевск Самарской области. М 1:10000»;

2) 02 «Карта (схема) градостроительного зонирования территории городского округа Жигулевск Самарской области, с. Бахилова Поляна, с. Зольное, с. Ширяево, с. Богатырь, с. Солнечная Поляна. М 1:25000 (10000; 5000)»

4. Перечень координат характерных точек границ территориальных зон:

Система координат: МСК-63

Ведомость координат точек теодолитного хода

Статья 85. Сведения о границах территориальной зоны «Зона размещения объектов социального и коммунально-бытового назначения (О2)», содержащие графическое описание ее местоположения, а также перечень координат характерных точек

1. Местоположение объекта землеустройства:

Самарская область, Городской округ Жигулевск

2. Площадь объекта землеустройства:

Общая площадь - 7,42 га

3. Графическое описание местоположения границ территориальных зон:

Графическое описание местоположения границ территориальных зон приведено на картах:

1) 01 «Карта (схема) градостроительного зонирования территории города Жигулевск городского округа Жигулевск Самарской области. М 1:10000»;

2) 02 «Карта (схема) градостроительного зонирования территории городского округа Жигулевск Самарской области, с. Бахилова Поляна, с. Зольное, с. Ширяево, с. Богатырь, с. Солнечная Поляна. М 1:25000 (10000; 5000)»

4. Перечень координат характерных точек границ территориальных зон:

Система координат: МСК-63

Ведомость координат точек теодолитного хода

Статья 87. Сведения о границах территориальной зоны «Общественно-деловая зона специального вида - здравоохранение (ОЗ-2)», содержащие графическое описание ее местоположения, а также перечень координат характерных точек

1. Местоположение объекта землеустройства:

Самарская область, Городской округ Жигулевск

2. Площадь объекта землеустройства:

Общая площадь - 14,66 га

3. Графическое описание местоположения границ территориальных зон:

Графическое описание местоположения границ территориальных зон приведено на картах:

1) 01 «Карта (схема) градостроительного зонирования территории города Жигулевск городского округа Жигулевск Самарской области. М 1:10000»;

2) 02 «Карта (схема) градостроительного зонирования территории городского округа Жигулевск Самарской области, с. Бахилова Поляна, с. Зольное, с. Ширяево, с. Богатырь, с. Солнечная Поляна. М 1:25000 (10000; 5000)»

4. Перечень координат характерных точек границ территориальных зон:

Система координат: МСК-63:

Ведомость координат точек теодолитного хода

Статья 88. Сведения о границах территориальной зоны «Общественно-деловая зона специального вида - образование и просвещение (ОЗ-3)», содержащие графическое описание ее местоположения, а также перечень координат характерных точек

1. Местоположение объекта землеустройства:

Самарская область, Городской округ Жигулевск

2. Площадь объекта землеустройства:

Общая площадь - 45,94 га

3. Графическое описание местоположения границ территориальных зон:

Графическое описание местоположения границ территориальных зон приведено на картах:

1) 01 «Карта (схема) градостроительного зонирования территории города Жигулевск городского округа Жигулевск Самарской области. М 1:10000»;

2) 02 «Карта (схема) градостроительного зонирования территории городского округа Жигулевск Самарской области, с. Бахилова Поляна, с. Зольное, с. Ширяево, с. Богатырь, с. Солнечная Поляна. М 1:25000 (10000; 5000)»

4. Перечень координат характерных точек границ территориальных зон:

Система координат: МСК-63:

Ведомость координат точек теодолитного хода

Статья 89. Сведения о границах территориальной зоны «Общественно-деловая зона специального вида - спорт (ОЗ-4)», содержащие графическое описание ее местоположения, а также перечень координат характерных точек

1. Местоположение объекта землеустройства:

Самарская область, Городской округ Жигулевск

2. Площадь объекта землеустройства:

Общая площадь - 16,04 га

3. Графическое описание местоположения границ территориальных зон:

Графическое описание местоположения границ территориальных зон приведено на картах:

1) 01 «Карта (схема) градостроительного зонирования территории города Жигулевск городского округа Жигулевск Самарской области. М 1:10000»;

2) 02 «Карта (схема) градостроительного зонирования территории городского округа Жигулевск Самарской области, с. Бахилова Поляна, с. Зольное, с. Ширяево, с. Богатырь, с. Солнечная Поляна. М 1:25000 (10000; 5000)»

4. Перечень координат характерных точек границ территориальных зон:

Система координат: МСК-63:

Ведомость координат точек теодолитного хода

Статья 90. Сведения о границах территориальной зоны «Производственная зона (П1)», содержащие графическое описание ее местоположения, а также перечень координат характерных точек

1. Местоположение объекта землеустройства:

Самарская область, Городской округ Жигулевск

2. Площадь объекта землеустройства:

Общая площадь - 504,50 га

3. Графическое описание местоположения границ территориальных зон:

Графическое описание местоположения границ территориальных зон приведено на картах:

1) 01 «Карта (схема) градостроительного зонирования территории города Жигулевск городского округа Жигулевск Самарской области. М 1:10000»;

2) 02 «Карта (схема) градостроительного зонирования территории городского округа Жигулевск Самарской области, с. Бахилова Поляна, с. Зольное, с. Ширяево, с. Богатырь, с. Солнечная Поляна. М 1:25000 (10000; 5000)»

4. Перечень координат характерных точек границ территориальных зон:

Система координат: МСК-63:

Статья 91. Сведения о границах территориальной зоны «Коммунально-складская зона (П2)», содержащие графическое описание ее местоположения, а также перечень координат характерных точек

1. Местоположение объекта землеустройства:

Самарская область, Городской округ Жигулевск

2. Площадь объекта землеустройства:

Общая площадь - 36,42 га

3. Графическое описание местоположения границ территориальных зон:

Графическое описание местоположения границ территориальных зон приведено на картах:

1) 01 «Карта (схема) градостроительного зонирования территории города Жигулевск городского округа Жигулевск Самарской области. М 1:10000»;

2) 02 «Карта (схема) градостроительного зонирования территории городского округа Жигулевск Самарской области, с. Бахилова Поляна, с. Зольное, с. Ширяево, с. Богатырь, с. Солнечная Поляна. М 1:25000 (10000; 5000)»

4. Перечень координат характерных точек границ территориальных зон:

Система координат: МСК-63:

Статья 92. Сведения о границах территориальной зоны «Зона энергетики (ПЗ)», содержащие графическое описание ее местоположения, а также перечень координат характерных точек

1. Местоположение объекта землеустройства:

Самарская область, Городской округ Жигулевск

2. Площадь объекта землеустройства:

Общая площадь - 152,22 га

3. Графическое описание местоположения границ территориальных зон:

Графическое описание местоположения границ территориальных зон приведено на картах:

1) 01 «Карта (схема) градостроительного зонирования территории города Жигулевск городского округа Жигулевск Самарской области. М 1:10000»;

4. Перечень координат характерных точек границ территориальных зон:

Система координат: МСК-63:

Ведомость координат точек теодолитного хода

Статья 93. Сведения о границах территориальной зоны «Зона инженерной инфраструктуры (И)», содержащие графическое описание ее местоположения, а также перечень координат характерных точек

1. Местоположение объекта землеустройства:

Самарская область, Городской округ Жигулевск

2. Площадь объекта землеустройства:

Общая площадь - 23,69 га

3. Графическое описание местоположения границ территориальных зон:

Графическое описание местоположения границ территориальных зон приведено на картах:

1) 01 «Карта (схема) градостроительного зонирования территории города Жигулевск городского округа Жигулевск Самарской области. М 1:10000»;

2) 02 «Карта (схема) градостроительного зонирования территории городского округа Жигулевск Самарской области, с. Бахилова Поляна, с. Зольное, с. Ширяево, с. Богатырь, с. Солнечная Поляна. М 1:25000 (10000; 5000)»

4. Перечень координат характерных точек границ территориальных зон:

Система координат: МСК-63:

Ведомость координат точек теодолитного хода

Статья 94. Сведения о границах территориальной зоны «Зона транспортной инфраструктуры (Т)», содержащие графическое описание ее местоположения, а также перечень координат характерных точек

1. Местоположение объекта землеустройства:

Самарская область, Городской округ Жигулевск

2. Площадь объекта землеустройства:

Общая площадь - 224,75 га

3. Графическое описание местоположения границ территориальных зон:

Графическое описание местоположения границ территориальных зон приведено на картах:

1) 01 «Карта (схема) градостроительного зонирования территории города Жигулевск городского округа Жигулевск Самарской области. М 1:10000»;

2) 02 «Карта (схема) градостроительного зонирования территории городского округа Жигулевск Самарской области, с. Бахилова Поляна, с. Зольное, с. Ширяево, с. Богатырь, с. Солнечная Поляна. М 1:25000 (10000; 5000)»

4. Перечень координат характерных точек границ территориальных зон:

Система координат: СК 63 (система координат 1963 г.):

Ведомость координат точек теодолитного хода

Статья 95. Сведения о границах территориальной зоны «Зона, занятая объектами сельскохозяйственного назначения (Сх2)», содержащие графическое описание ее местоположения, а также перечень координат характерных точек

1. Местоположение объекта землеустройства:

Самарская область, Городской округ Жигулевск

2. Площадь объекта землеустройства:

Общая площадь – 64,56 га

3. Графическое описание местоположения границ территориальных зон:

Графическое описание местоположения границ территориальных зон приведено на картах:

1) 01 «Карта (схема) градостроительного зонирования территории города Жигулевск городского округа Жигулевск Самарской области. М 1:10000»;

2) 02 «Карта (схема) градостроительного зонирования территории городского округа Жигулевск Самарской области, с. Бахилова Поляна, с. Зольное, с. Ширяево, с. Богатырь, с. Солнечная Поляна. М 1:25000 (10000; 5000)».

4. Перечень координат характерных точек границ территориальных зон:

Система координат: МСК-63:

Статья 97. Сведения о границах территориальной зоны «Зона озеленения общего пользования (Р1)», содержащие графическое описание ее местоположения, а также перечень координат характерных точек

1. Местоположение объекта землеустройства:

Самарская область, Городской округ Жигулевск

2. Площадь объекта землеустройства:

Общая площадь - 928,21 га

3. Графическое описание местоположения границ территориальных зон:

Графическое описание местоположения границ территориальных зон приведено на картах:

1) 01 «Карта (схема) градостроительного зонирования территории города Жигулевск городского округа Жигулевск Самарской области. М 1:10000»;

2) 02 «Карта (схема) градостроительного зонирования территории городского округа Жигулевск Самарской области, с. Бахилова Поляна, с. Зольное, с. Ширяево, с. Богатырь, с. Солнечная Поляна. М 1:25000 (10000; 5000)»

4. Перечень координат характерных точек границ территориальных зон:

Система координат: МСК-63:

Статья 98. Сведения о границах территориальной зоны «Зона рекреационного назначения (Р2)», содержащие графическое описание ее местоположения, а также перечень координат характерных точек

1. Местоположение объекта землеустройства:

Самарская область, Городской округ Жигулевск

2. Площадь объекта землеустройства:

Общая площадь - 440,01 га

3. Графическое описание местоположения границ территориальных зон:

Графическое описание местоположения границ территориальных зон приведено на картах:

1) 01 «Карта (схема) градостроительного зонирования территории города Жигулевск городского округа Жигулевск Самарской области. М 1:10000»;

2) 02 «Карта (схема) градостроительного зонирования территории городского округа Жигулевск Самарской области, с. Бахилова Поляна, с. Зольное, с. Ширяево, с. Богатырь, с. Солнечная Поляна. М 1:25000 (10000; 5000)»

4. Перечень координат характерных точек границ территориальных зон:

Система координат: МСК-63:

Статья 99. Сведения о границах территориальной зоны «Зона особо охраняемых природных территорий (РЗ)», содержащие графическое описание ее местоположения, а также перечень координат характерных точек

1. Местоположение объекта землеустройства:

Самарская область, Городской округ Жигулевск

2. Площадь объекта землеустройства:

Общая площадь - 2,652,97 га

3. Графическое описание местоположения границ территориальных зон:

Графическое описание местоположения границ территориальных зон приведено на картах:

1) 01 «Карта (схема) градостроительного зонирования территории города Жигулевск городского округа Жигулевск Самарской области. М 1:10000»;

2) 02 «Карта (схема) градостроительного зонирования территории городского округа Жигулевск Самарской области, с. Бахилова Поляна, с. Зольное, с. Ширяево, с. Богатырь, с. Солнечная Поляна. М 1:25000 (10000; 5000)»

4. Перечень координат характерных точек границ территориальных зон:

Система координат: МСК-63:

Статья 100. Сведения о границах территориальной зоны «Зона специального назначения, связанная с захоронениями (Сп1)», содержащие графическое описание ее местоположения, а также перечень координат характерных точек

1. Местоположение объекта землеустройства:

Самарская область, Городской округ Жигулевск

2. Площадь объекта землеустройства:

Общая площадь – 44,55 га

3. Графическое описание местоположения границ территориальных зон:

Графическое описание местоположения границ территориальных зон приведено на картах:

1) 01 «Карта (схема) градостроительного зонирования территории города Жигулевск городского округа Жигулевск Самарской области. М 1:10000»;

2) 02 «Карта (схема) градостроительного зонирования территории городского округа Жигулевск Самарской области, с. Бахилова Поляна, с. Зольное, с. Ширяево, с. Богатырь, с. Солнечная Поляна. М 1:25000 (10000; 5000)»

4. Перечень координат характерных точек границ территориальных зон:

Система координат: МСК-63:
